The Creative Heroes Award focuses on the impact of creative thinking. It focuses on the person that leads the change, on the person that has the courage to stand up and challenge the current status quo. It zooms in on the creative process itself and on the people behind new concepts and innovations that have sustainable positive impact on people, society, and the environment.

Peter Olah, Chair of the jury and responsible for Art Direction of One Design Identity for the ŠKODA AUTO brand says: *“I want to extend my heartfelt gratitude to our jury members for their dedication in scouting, assessing, and evaluating this year’s nominees for the Creative Heroes Award Czech Republic. Choosing the winners in each of the five impact categories is no easy task, as every nominee is a true champion of creativity and innovation. In this competition, there are no losers — only remarkable individuals whose ingenuity, drive and passion know no bounds. We remain committed to celebrating and supporting all these incredible talents.”*

Bastiaan Brouns, Initiator of the Creative Heroes Award Czech Republic, added: *“As we approach the third edition of the Creative Heroes Award Czech Republic, it’s clear this initiative has staying power, and that impactful creativity is thriving. This year, with 49 inspiring nominees, we’ve now recognized*

nearly 200 creative heroes. This reinforces our optimism about the Czech Republic's future, and we remain committed to celebrating the individuals driving positive change."
